2    SHELF LEASING PROGRAM  
3    REFORMS**

4   **SEC. 101. OUTER CONTINENTAL SHELF LEASING PROGRAM  
5       REFORMS.**

6       *Section 18(a) of the Outer Continental Shelf Lands Act  
7   (43 U.S.C. 1344(a)) is amended by adding at the end the  
8   following:*

9           *“(5)(A) In each oil and gas leasing program  
10   under this section, the Secretary shall make available  
11   for leasing and conduct lease sales including at least  
12   50 percent of the available unleased acreage within  
13   each outer Continental Shelf planning area consid-  
14   ered to have the largest undiscovered, technically re-  
15   coverable oil and gas resources (on a total btu basis)  
16   based upon the most recent national geologic assess-  
17   ment of the outer Continental Shelf, with an emphasis  
18   on offering the most geologically prospective parts of  
19   the planning area.*

20          *“(B) The Secretary shall include in each pro-  
21   posed oil and gas leasing program under this section  
22   any State subdivision of an outer Continental Shelf  
23   planning area that the Governor of the State that*

1       represents that subdivision requests be made available  
2       for leasing. The Secretary may not remove such a  
3       subdivision from the program until publication of the  
4       final program.

5           “(C) In this paragraph the term ‘available un-  
6       leased acreage’ means that portion of the outer Conti-  
7       nental Shelf that is not under lease at the time of a  
8       proposed lease sale, and that has not otherwise been  
9       made unavailable for leasing by law.

10          “(6)(A) In the 5-year oil and gas leasing pro-  
11       gram, the Secretary shall make available for leasing  
12       any outer Continental Shelf planning areas that—

13              “(i) are estimated to contain more than  
14       2,500,000,000 barrels of oil; or

15              “(ii) are estimated to contain more than  
16       7,500,000,000,000 cubic feet of natural gas.

17          “(B) To determine the planning areas described  
18       in subparagraph (A), the Secretary shall use the doc-  
19       ument entitled ‘Minerals Management Service Assess-  
20       ment of Undiscovered Technically Recoverable Oil  
21       and Gas Resources of the Nation’s Outer Continental  
22       Shelf, 2006’.”.

1   **SEC. 102. DOMESTIC OIL AND NATURAL GAS PRODUCTION**

2                 ***GOAL.***

3                 *Section 18(b) of the Outer Continental Shelf Lands Act*

4     *(43 U.S.C. 1344(b)) is amended to read as follows:*

5                 ***“(b) DOMESTIC OIL AND NATURAL GAS PRODUCTION***

6     ***GOAL.—***

7                 *“(1) IN GENERAL.—In developing a 5-year oil*  
8     *and gas leasing program, and subject to paragraph*  
9     *(2), the Secretary shall determine a domestic strategic*  
10   *production goal for the development of oil and nat-*  
11   *ural gas as a result of that program. Such goal shall*  
12   *be—*

13                 *“(A) the best estimate of the possible in-*  
14   *crease in domestic production of oil and natural*  
15   *gas from the outer Continental Shelf;*

16                 *“(B) focused on meeting domestic demand*  
17   *for oil and natural gas and reducing the depend-*  
18   *ence of the United States on foreign energy; and*

19                 *“(C) focused on the production increases*  
20   *achieved by the leasing program at the end of the*  
21   *15-year period beginning on the effective date of*  
22   *the program.*

23                 *“(2) PROGRAM GOAL.—For purposes of the 5-*  
24   *year oil and gas leasing program, the production goal*  
25   *referred to in paragraph (1) shall be an increase by*  
26   *2032 of—*

1               “(A) no less than 3,000,000 barrels in the  
2               amount of oil produced per day; and

3               “(B) no less than 10,000,000,000 cubic feet  
4               in the amount of natural gas produced per day.

5               “(3) *REPORTING*.—The Secretary shall report  
6               annually, beginning at the end of the 5-year period  
7               for which the program applies, to the Committee on  
8               Natural Resources of the House of Representatives  
9               and the Committee on Energy and Natural Resources  
10               of the Senate on the progress of the program in meet-  
11               ing the production goal. The Secretary shall identify  
12               in the report projections for production and any  
13               problems with leasing, permitting, or production that  
14               will prevent meeting the goal.”.

15 **SEC. 103. DEVELOPMENT AND SUBMITTAL OF NEW 5-YEAR**

16               **OIL AND GAS LEASING PROGRAM.**

17               (a) *IN GENERAL*.—The Secretary of the Interior  
18               shall—

19               (1) by not later than July 15, 2014, publish and  
20               submit to Congress a new proposed oil and gas leas-  
21               ing program under section 18 of the Outer Conti-  
22               nental Shelf Lands Act (43 U.S.C. 1344) for the 5-  
23               year period beginning on such date and ending July  
24               15, 2020; and

1                   (2) by not later than July 15, 2015, approve a  
2                   final oil and gas leasing program under such section  
3                   for such period.

4                   (b) CONSIDERATION OF ALL AREAS.—In preparing  
5                   such program the Secretary shall include consideration of  
6                   areas of the Continental Shelf off the coasts of all States  
7                   (as such term is defined in section 2 of that Act, as amended  
8                   by this Act), that are subject to leasing under this Act.

9                   (c) TECHNICAL CORRECTION.—Section 18(d)(3) of the  
10                  Outer Continental Shelf Lands Act (43 U.S.C. 1344(d)(3))  
11                  is amended by striking “or after eighteen months following  
12                  the date of enactment of this section, whichever first oc-  
13                  curs.”.

14                  **TITLE II—DIRECTING THE  
15                  PRESIDENT TO CONDUCT  
16                  NEW OCS SALES IN VIRGINIA,  
17                  SOUTH CAROLINA, AND CALI-  
18                  FORNIA**

19                  **SEC. 201. REQUIREMENT TO CONDUCT PROPOSED OIL AND  
20                  GAS LEASE SALE 220 ON THE OUTER CONTI-  
21                  NENTAL SHELF OFFSHORE VIRGINIA.**

22                  (a) IN GENERAL.—Notwithstanding the exclusion of  
23                  Lease Sale 220 in the Final Outer Continental Shelf Oil  
24                  & Gas Leasing Program 2012–2017, the Secretary of the  
25                  Interior shall conduct offshore oil and gas Lease Sale 220

1 under section 8 of the Outer Continental Shelf Lands Act  
2 (43 U.S.C. 1337) as soon as practicable, but not later than  
3 one year after the date of enactment of this Act.

4       (b) REQUIREMENT TO MAKE REPLACEMENT LEASE  
5 BLOCKS AVAILABLE.—For each lease block in a proposed  
6 lease sale under this section for which the Secretary of De-  
7 fense, in consultation with the Secretary of the Interior,  
8 under the Memorandum of Agreement referred to in section  
9 205(b), issues a statement proposing deferral from a lease  
10 offering due to defense-related activities that are irreconcil-  
11 able with mineral exploration and development, the Sec-  
12 retary of the Interior, in consultation with the Secretary  
13 of Defense, shall make available in the same lease sale one  
14 other lease block in the Virginia lease sale planning area  
15 that is acceptable for oil and gas exploration and produc-  
16 tion in order to mitigate conflict.

17       (c) BALANCING MILITARY AND ENERGY PRODUCTION  
18 GOALS.—In recognition that the Outer Continental Shelf  
19 oil and gas leasing program and the domestic energy re-  
20 sources produced therefrom are integral to national secu-  
21 rity, the Secretary of the Interior and the Secretary of De-  
22 fense shall work jointly in implementing this section in  
23 order to ensure achievement of the following common goals:  
24           (1) Preserving the ability of the Armed Forces of  
25 the United States to maintain an optimum state of

1       *readiness through their continued use of the Outer  
2       Continental Shelf.*

3           *(2) Allowing effective exploration, development,  
4       and production of our Nation's oil, gas, and renew-  
5       able energy resources.*

6       *(d) DEFINITIONS.—In this section:*

7           *(1) LEASE SALE 220.—The term “Lease Sale  
8       220” means such lease sale referred to in the Request  
9       for Comments on the Draft Proposed 5-Year Outer  
10      Continental Shelf (OCS) Oil and Gas Leasing Pro-  
11      gram for 2010–2015 and Notice of Intent To Prepare  
12      an Environmental Impact Statement (EIS) for the  
13      Proposed 5-Year Program published January 21,  
14      2009 (74 Fed. Reg. 3631).*

15          *(2) VIRGINIA LEASE SALE PLANNING AREA.—The  
16      term “Virginia lease sale planning area” means the  
17      area of the outer Continental Shelf (as that term is  
18      defined in the Outer Continental Shelf Lands Act (33  
19      U.S.C. 1331 et seq.)) that is bounded by—*

20           *(A) a northern boundary consisting of a  
21      straight line extending from the northernmost  
22      point of Virginia's seaward boundary to the  
23      point on the seaward boundary of the United  
24      States exclusive economic zone located at 37 de-*

1           *degrees 17 minutes 1 second North latitude, 71 de-*  
2           *grees 5 minutes 16 seconds West longitude; and*  
3           *(B) a southern boundary consisting of a*  
4           *straight line extending from the southernmost*  
5           *point of Virginia's seaward boundary to the*  
6           *point on the seaward boundary of the United*  
7           *States exclusive economic zone located at 36 de-*  
8           *grees 31 minutes 58 seconds North latitude, 71*  
9           *degrees 30 minutes 1 second West longitude.*

10 **SEC. 202. SOUTH CAROLINA LEASE SALE.**

11       *Notwithstanding inclusion of the South Atlantic Outer*  
12 *Continental Shelf Planning Area in the Final Outer Conti-*  
13 *nental Shelf Oil & Gas Leasing Program 2012–2017, the*  
14 *Secretary of the Interior shall conduct a lease sale not later*  
15 *than 2 years after the date of the enactment of this Act*  
16 *for areas off the coast of South Carolina determined by the*  
17 *Secretary to have the most geologically promising hydro-*  
18 *carbon resources and constituting not less than 25 percent*  
19 *of the leasable area within the South Carolina offshore ad-*  
20 *ministrative boundaries depicted in the notice entitled*  
21 *“Federal Outer Continental Shelf (OCS) Administrative*  
22 *Boundaries Extending from the Submerged Lands Act*  
23 *Boundary seaward to the Limit of the United States Outer*  
24 *Continental Shelf”, published January 3, 2006 (71 Fed.*  
25 *Reg. 127).*

1    **SEC. 203. SOUTHERN CALIFORNIA EXISTING INFRASTRUC-**2                 **TURE LEASE SALE.**

3                 (a) *IN GENERAL.*—The Secretary of the Interior shall  
4    offer for sale leases of tracts in the Santa Maria and Santa  
5    Barbara/Ventura Basins of the Southern California OCS  
6    Planning Area as soon as practicable, but not later than  
7    December 31, 2014.

8                 (b) *USE OF EXISTING STRUCTURES OR ONSHORE-*  
9    *BASED DRILLING.*—The Secretary of the Interior shall in-  
10   clude in leases offered for sale under this lease sale such  
11   terms and conditions as are necessary to require that devel-  
12   opment and production may occur only from offshore infra-  
13   structure in existence on the date of the enactment of this  
14   Act or from onshore-based, extended-reach drilling.

15   **SEC. 204. ENVIRONMENTAL IMPACT STATEMENT REQUIRE-  
16   MENT.**

17                 (a) *IN GENERAL.*—For the purposes of this Act, the  
18   Secretary of the Interior shall prepare a multisale environ-  
19   mental impact statement under section 102 of the National  
20   Environmental Policy Act of 1969 (42 U.S.C. 4332) for all  
21   lease sales required under this title.

22                 (b) *ACTIONS TO BE CONSIDERED.*—Notwithstanding  
23   section 102 of the National Environmental Policy Act of  
24   1969 (42 U.S.C. 4332), in such statement—

25                         (1) the Secretary is not required to identify non-  
26   leasing alternative courses of action or to analyze the

1       *environmental effects of such alternative courses of ac-*  
2       *tion; and*

3           *(2) the Secretary shall only—*

4              *(A) identify a preferred action for leasing*  
5              *and not more than one alternative leasing pro-*  
6              *posal; and*

7              *(B) analyze the environmental effects and*  
8              *potential mitigation measures for such preferred*  
9              *action and such alternative leasing proposal.*

10 **SEC. 205. NATIONAL DEFENSE.**

11       *(a) NATIONAL DEFENSE AREAS.—This Act does not*  
12       *affect the existing authority of the Secretary of Defense,*  
13       *with the approval of the President, to designate national*  
14       *defense areas on the Outer Continental Shelf pursuant to*  
15       *section 12(d) of the Outer Continental Shelf Lands Act (43*  
16       *U.S.C. 1341(d)).*

17       *(b) PROHIBITION ON CONFLICTS WITH MILITARY OP-*  
18       *ERATIONS.—No person may engage in any exploration, de-*  
19       *velopment, or production of oil or natural gas on the Outer*  
20       *Continental Shelf under a lease issued under this Act that*  
21       *would conflict with any military operation, as determined*  
22       *in accordance with the Memorandum of Agreement between*  
23       *the Department of Defense and the Department of the Inter-*  
24       *rior on Mutual Concerns on the Outer Continental Shelf*  
25       *signed July 20, 1983, and any revision or replacement for*

1   *that agreement that is agreed to by the Secretary of Defense*  
2   *and the Secretary of the Interior after that date but before*  
3   *the date of issuance of the lease under which such explo-*  
4   *ration, development, or production is conducted.*

5   **SEC. 206. EASTERN GULF OF MEXICO NOT INCLUDED.**

6       *Nothing in this Act affects restrictions on oil and gas*  
7   *leasing under the Gulf of Mexico Energy Security Act of*  
8   *2006 (title I of division C of Public Law 109–432; 43*  
9   *U.S.C. 1331 note).*

10   **TITLE III—EQUITABLE SHARING  
11       OF OUTER CONTINENTAL  
12       SHELF REVENUES**

13   **SEC. 301. DISPOSITION OF OUTER CONTINENTAL SHELF  
14           REVENUES TO COASTAL STATES.**

15       (a) *IN GENERAL.—Section 9 of the Outer Continental*  
16   *Shelf Lands Act (43 U.S.C. 1338) is amended—*

17           (1) *in the existing text—*

18                  (A) *in the first sentence, by striking “All*  
19   *rentals,” and inserting the following:*

20                  “(c) *DISPOSITION OF REVENUE UNDER OLD*  
21   *LEASES.—All rentals,”; and*

22                  (B) *in subsection (c) (as designated by the*  
23   *amendment made by subparagraph (A) of this*  
24   *paragraph), by striking “for the period from*  
25   *June 5, 1950, to date, and thereafter” and in-*

1           serting “in the period beginning June 5, 1950,  
2           and ending on the date of enactment of the Off-  
3           shore Energy and Jobs Act”;

4           (2) by adding after subsection (c) (as so des-  
5           ignated) the following:

6           “(d) **DEFINITIONS.**—In this section:

7           “(1) **COASTAL STATE.**—The term ‘coastal State’  
8           includes a territory of the United States.

9           “(2) **NEW LEASING REVENUES.**—The term ‘new  
10          leasing revenues’—

11           “(A) means amounts received by the United  
12          States as bonuses, rents, and royalties under  
13          leases for oil and gas, wind, tidal, or other en-  
14          ergy exploration, development, and production  
15          on new areas of the outer Continental Shelf that  
16          are authorized to be made available for leasing  
17          as a result of enactment of the Offshore Energy  
18          and Jobs Act and leasing under that Act; and

19           “(B) does not include amounts received by  
20          the United States under any lease of an area lo-  
21          cated in the boundaries of the Central Gulf of  
22          Mexico and Western Gulf of Mexico Outer Conti-  
23          nental Shelf Planning Areas on the date of en-  
24          actment of the Offshore Energy and Jobs Act, in-

1           *cluding a lease issued before, on, or after such*  
2           *date of enactment.”; and*

3           *(3) by inserting before subsection (c) (as so des-*  
4           *ignated) the following:*

5        “*(a) PAYMENT OF NEW LEASING REVENUES TO*  
6    *COASTAL STATES.—*

7           *“(1) IN GENERAL.—Except as provided in para-*  
8           *graph (2), of the amount of new leasing revenues re-*  
9           *ceived by the United States each fiscal year, 37.5 per-*  
10          *cent shall be allocated and paid in accordance with*  
11          *subsection (b) to coastal States that are affected States*  
12          *with respect to the leases under which those revenues*  
13          *are received by the United States.*

14        “*(2) PHASE-IN.—*

15           *“(A) IN GENERAL.—Except as provided in*  
16           *subparagraph (B), paragraph (1) shall be ap-*  
17          *plied—*

18           *“(i) with respect to new leasing reve-*  
19           *nues under leases awarded under the first*

21          *takes effect after the date of enactment of the*  
22          *Offshore Energy and Jobs Act, by sub-*  
23          *stituting ‘12.5 percent’ for ‘37.5 percent’;*  
24          *and*

1                   “(ii) with respect to new leasing reve-  
2                   nues under leases awarded under the second  
3                   leasing program under section 18(a) that  
4                   takes effect after the date of enactment of the  
5                   Offshore Energy and Jobs Act, by sub-  
6                   stituting ‘25 percent’ for ‘37.5 percent’.

7                   “(B) EXEMPTED LEASE SALES.—This para-  
8                   graph shall not apply with respect to any lease  
9                   issued under title II of the Offshore Energy and  
10                  Jobs Act.

11                  “(b) ALLOCATION OF PAYMENTS.—

12                  “(1) IN GENERAL.—The amount of new leasing  
13                  revenues received by the United States with respect to  
14                  a leased tract that are required to be paid to coastal  
15                  States in accordance with this subsection each fiscal  
16                  year shall be allocated among and paid to coastal  
17                  States that are within 200 miles of the leased tract,  
18                  in amounts that are inversely proportional to the re-  
19                  spective distances between the point on the coastline  
20                  of each such State that is closest to the geographic  
21                  center of the lease tract, as determined by the Sec-  
22                  retary.

23                  “(2) MINIMUM AND MAXIMUM ALLOCATION.—The  
24                  amount allocated to a coastal State under paragraph

1       (1) each fiscal year with respect to a leased tract shall  
2       be—

3               “(A) in the case of a coastal State that is  
4               the nearest State to the geographic center of the  
5               leased tract, not less than 25 percent of the total  
6               amounts allocated with respect to the leased  
7               tract;

8               “(B) in the case of any other coastal State,  
9               not less than 10 percent, and not more than 15  
10               percent, of the total amounts allocated with re-  
11               spect to the leased tract; and

12               “(C) in the case of a coastal State that is  
13               the only coastal State within 200 miles of a least  
14               tract, 100 percent of the total amounts allocated  
15               with respect to the leased tract.

16       “(3) ADMINISTRATION.—Amounts allocated to a  
17       coastal State under this subsection—

18               “(A) shall be available to the coastal State  
19               without further appropriation;

20               “(B) shall remain available until expended;

21               “(C) shall be in addition to any other  
22               amounts available to the coastal State under this  
23               Act; and

24               “(D) shall be distributed in the fiscal year  
25               following receipt.

1           “(4) USE OF FUNDS.—

2                 “(A) IN GENERAL.—Except as provided in  
3                 subparagraph (B), a coastal State may use funds  
4                 allocated and paid to it under this subsection for  
5                 any purpose as determined by the laws of that  
6                 State.

7                 “(B) RESTRICTION ON USE FOR MATCH-  
8                 ING.—Funds allocated and paid to a coastal  
9                 State under this subsection may not be used as  
10                 matching funds for any other Federal program.”.

11             (b) LIMITATION ON APPLICATION.—This section and  
12     the amendment made by this section shall not affect the ap-  
13     plication of section 105 of the Gulf of Mexico Energy Secu-

**9**                   (d) *EMPLOYEES.*—

10                   (1) *IN GENERAL.*—The Secretary shall ensure  
11                   that the inspection force of the Bureau consists of  
12                   qualified, trained employees who meet qualification  
13                   requirements and adhere to the highest professional  
14                   and ethical standards

(B) shall include—

1                   (3) *ASSIGNMENT.*—In assigning oil and gas in-  
2                   spectors to the inspection and investigation of indi-  
3                   vidual operations, the Secretary shall give due consid-  
4                   eration to the extent possible to their previous experi-  
5                   ence in the particular type of oil and gas operation  
6                   in which such inspections are to be made.

7                   (4) *BACKGROUND CHECKS.*—The Director shall  
8                   require that an individual to be hired as an inspec-  
9                   tion officer undergo an employment investigation (in-  
10                  cluding a criminal history record check).

11                  (5) *LANGUAGE REQUIREMENTS.*—Individuals  
12                  hired as inspectors must be able to read, speak, and  
13                  write English well enough to—

14                  (A) carry out written and oral instructions  
15                  regarding the proper performance of inspection  
16                  duties; and

3 Director shall provide that an annual evaluation  
4 of each individual assigned inspection duties is  
5 conducted and documented.*

6                   (B) CONTINUATION OF EMPLOYMENT.—*An  
7 individual employed as an inspector may not  
8 continue to be employed in that capacity unless  
9 the evaluation demonstrates that the indi-  
10 vidual—*

11                   (i) *continues to meet all qualifications  
12 and standards;*

13                   (ii) *has a satisfactory record of per-  
14 formance and attention to duty based on the  
15 standards and requirements in the inspec-  
16 tion program; and*

17                   (iii) *demonstrates the current knowl-  
18 edge and skills necessary to courteously,  
19 vigilantly, and effectively perform inspec-  
20 tion functions.*

21                   (8) LIMITATION ON RIGHT TO STRIKE.—*Any in-  
22 dividual that conducts permitting or inspections  
23 under this section may not participate in a strike, or  
24 assert the right to strike.*

1                             (9) *PERSONNEL AUTHORITY.*—Notwithstanding  
2                             any other provision of law, the Director may employ,  
3                             appoint, discipline and terminate for cause, and fix  
4                             the compensation, terms, and conditions of employ-  
5                             ment of Federal service for individuals as the employ-  
6                             ees of the Service in order to restore and maintain the  
7                             trust of the people of the United States in the ac-  
8                             countability of the management of our Nation's en-  
9                             ergy safety program.

10                            (10) *TRAINING ACADEMY.*—

11                            (A) *IN GENERAL.*—The Secretary shall es-  
12                             tablish and maintain a National Offshore En-  
13                             ergy Safety Academy (referred to in this para-  
14                             graph as the “Academy”) as an agency of the  
15                             Ocean Energy Safety Service.

16                            (B) *FUNCTIONS OF ACADEMY.*—The Sec-  
17                             retary, through the Academy, shall be responsible  
18                             for—

19                                 (i) the initial and continued training  
20                             of both newly hired and experienced offshore  
21                             oil and gas inspectors in all aspects of  
22                             health, safety, environmental, and oper-  
23                             ational inspections;

24                                 (ii) the training of technical support  
25                             personnel of the Bureau;

(iii) any other training programs for offshore oil and gas inspectors, Bureau personnel, Department personnel, or other persons as the Secretary shall designate; and

(iv) certification of the successful completion of training programs for newly hired and experienced offshore oil and gas inspectors.

(C) COOPERATIVE AGREEMENTS.—

(i) *IN GENERAL.—In performing functions under this paragraph, and subject to clause (ii), the Secretary may enter into cooperative educational and training agreements with educational institutions, related Federal academies, other Federal agencies, State governments, safety training firms, and oil and gas operators and related industries.*

(ii) *TRAINING REQUIREMENT.*—Such training shall be conducted by the Academy in accordance with curriculum needs and assignment of instructional personnel established by the Secretary.

(11) USE OF DEPARTMENT PERSONNEL.—*In performing functions under this subsection, the Secretary*

1       *shall use, to the extent practicable, the facilities and*  
2       *personnel of the Department of the Interior. The Sec-*  
3       *retary may appoint or assign to the Academy such of-*  
4       *ficers and employees as the Secretary considers nec-*  
5       *essary for the performance of the duties and functions*  
6       *of the Academy.*

7                     (12) *ADDITIONAL TRAINING PROGRAMS.—*

8                     (A) *IN GENERAL.—The Secretary shall work*  
9       *with appropriate educational institutions, opera-*  
10      *tors, and representatives of oil and gas workers*  
11      *to develop and maintain adequate programs*  
12      *with educational institutions and oil and gas op-*  
13      *erators that are designed—*

14                     (i) *to enable persons to qualify for po-*  
15      *sitions in the administration of this Act;*

16      *and*

17                     (ii) *to provide for the continuing edu-*  
18      *cation of inspectors or other appropriate*  
19      *Department of the Interior personnel.*

20                     (B) *FINANCIAL AND TECHNICAL ASSIST-*  
21      *ANCE.—The Secretary may provide financial*  
22      *and technical assistance to educational institu-*  
23      *tions in carrying out this paragraph.*

24                     (e) *LIMITATION.—The Secretary shall not carry out*  
25      *through the Service any function, power, or duty that is—*

1                   (1) required by section 402 to be carried out  
2                  through Bureau of Ocean Energy; or  
3                   (2) required by section 404 to be carried out  
4                  through the Office of Natural Resources Revenue.

5 **SEC. 404. OFFICE OF NATURAL RESOURCES REVENUE.**

6               (a) *ESTABLISHMENT.*—There is established in the De-  
7 partment of the Interior an Office of Natural Resources  
8 Revenue (referred to in this section as the “Office”) to be  
9 headed by a Director of Natural Resources Revenue (re-

8                             (c) *PENDING PROCEEDINGS.*—Subject to the authority  
9     of the Secretary of the Interior and the officers of the De-  
10   partment of the Interior under this Act—

11                             (1) pending proceedings in the Minerals Manage-  
12   ment Service, including notices of proposed rule-  
13   making, and applications for licenses, permits, cer-  
14   tificates, grants, and financial assistance, shall con-  
15   tinue, notwithstanding the enactment of this Act or  
16   the vesting of functions of the Service in another  
17   agency, unless discontinued or modified under the  
18   same terms and conditions and to the same extent  
19   that such discontinuance or modification could have  
20   occurred if this Act had not been enacted; and

21                             (2) orders issued in such proceedings, and ap-  
22   peals therefrom, and payments made pursuant to  
23   such orders, shall issue in the same manner and on  
24   the same terms as if this Act had not been enacted,  
25   and any such orders shall continue in effect until

1       *amended, modified, superseded, terminated, set aside,*  
2       *or revoked by an officer of the United States or a*  
3       *court of competent jurisdiction, or by operation of*  
4       *law.*

5       (d) PENDING CIVIL ACTIONS.—Subject to the authority  
6 of the Secretary of the Interior or any officer of the Depart-  
7 ment of the Interior under this Act, pending civil actions  
8 shall continue notwithstanding the enactment of this Act,  
9 and in such civil actions, proceedings shall be had, appeals  
10 taken, and judgments rendered and enforced in the same  
11 manner and with the same effect as if such enactment had  
12 not occurred.

13       (e) REFERENCES.—References relating to the Minerals  
14 Management Service in statutes, Executive orders, rules,  
15 regulations, directives, or delegations of authority that pre-  
16 cede the effective date of this Act are deemed to refer, as  
17 appropriate, to the Department, to its officers, employees,  
18 or agents, or to its corresponding organizational units or  
19 functions. Statutory reporting requirements that applied in  
20 relation to the Minerals Management Service immediately  
21 before the effective date of this Act shall continue to apply.

21           **VISORY BOARD.**

22     (a) ESTABLISHMENT.—The Secretary of the Interior  
23   shall establish, under the Federal Advisory Committee Act,  
24   an Outer Continental Shelf Energy Safety Advisory Board  
25   (referred to in this section as the “Board”—

1                   (1) to provide the Secretary and the Directors es-  
2 tablished by this Act with independent scientific and  
3 technical advice on safe, responsible, and timely min-  
4 eral and renewable energy exploration, development,  
5 and production activities; and

6                   (2) to review operations of the National Offshore  
7 Energy Health and Safety Academy established under  
8 section 403(d), including submitting to the Secretary  
9 recommendations of curriculum to ensure training  
10 scientific and technical advancements.

11                 (b) MEMBERSHIP.—

12                 (1) SIZE.—The Board shall consist of not more  
13 than 11 members, who—

14                   (A) shall be appointed by the Secretary  
15 based on their expertise in oil and gas drilling,  
16 well design, operations, well containment and oil  
17 spill response; and

18                   (B) must have significant scientific, engi-  
19 neering, management, and other credentials and  
20 a history of working in the field related to safe  
21 energy exploration, development, and production  
22 activities.

23                 (2) CONSULTATION AND NOMINATIONS.—The Sec-  
24 retary shall consult with the National Academy of  
25 Sciences and the National Academy of Engineering to

1       *identify potential candidates for the Board and shall*  
2       *take nominations from the public.*

3           (3) *TERM.—The Secretary shall appoint Board*  
4       *members to staggered terms of not more than 4 years,*  
5       *and shall not appoint a member for more than 2 con-*  
6       *secutive terms.*

7           (4) *BALANCE.—In appointing members to the*  
8       *Board, the Secretary shall ensure a balanced rep-*  
9       *resentation of industry and research interests.*

10          (c) *CHAIR.—The Secretary shall appoint the Chair for*  
11       *the Board from among its members.*

12          (d) *MEETINGS.—The Board shall meet not less than*  
13       *3 times per year and shall host, at least once per year, a*  
14       *public forum to review and assess the overall energy safety*  
15       *performance of Outer Continental Shelf mineral and renew-*  
16       *able energy resource activities.*

17          (e) *OFFSHORE DRILLING SAFETY ASSESSMENTS AND*  
18       *RECOMMENDATIONS.—As part of its duties under this sec-*  
19       *tion, the Board shall, by not later than 180 days after the*  
20       *date of enactment of this section and every 5 years there-*  
21       *after, submit to the Secretary a report that—*

22           (1) *assesses offshore oil and gas well control tech-*  
23       *nologies, practices, voluntary standards, and regula-*  
24       *tions in the United States and elsewhere; and*

1                   (2) as appropriate, recommends modifications to  
2                   the regulations issued under this Act to ensure ade-  
3                   quate protection of safety and the environment, in-  
4                   cluding recommendations on how to reduce regula-  
5                   tions and administrative actions that are duplicative  
6                   or unnecessary.

7                   (f) REPORTS.—Reports of the Board shall be submitted  
8                   by the Board to the Committee on Natural Resources of the  
9                   House or Representatives and the Committee on Energy  
10                  and Natural Resources of the Senate and made available  
11                  to the public in electronically accessible form.

12                  (g) TRAVEL EXPENSES.—Members of the Board, other  
13                  than full-time employees of the Federal Government, while  
14                  attending meeting of the Board or while otherwise serving  
15                  at the request of the Secretary or the Director while serving  
16                  away from their homes or regular places of business, may  
17                  be allowed travel expenses, including per diem in lieu of  
18                  subsistence, as authorized by section 5703 of title 5, United  
19                  States Code, for individuals in the Government serving  
20                  without pay.

21                  **SEC. 409. OUTER CONTINENTAL SHELF INSPECTION FEES.**

22                  Section 22 of the Outer Continental Shelf Lands Act  
23                  (43 U.S.C. 1348) is amended by adding at the end of the  
24                  section the following:

25                  “(g) INSPECTION FEES.—

1           “(1) *ESTABLISHMENT.*—*The Secretary of the In-*  
2           *terior shall collect from the operators of facilities sub-*  
3           *ject to inspection under subsection (c) non-refundable*  
4           *fees for such inspections—*

5           “(A) *at an aggregate level equal to the*  
6           *amount necessary to offset the annual expenses of*  
7           *inspections of outer Continental Shelf facilities*  
8           *(including mobile offshore drilling units) by the*  
9           *Department of the Interior; and*

10          “(B) *using a schedule that reflects the dif-*  
11          *ferences in complexity among the classes of fa-*  
12          *cilities to be inspected.*

13          “(2) *OCEAN ENERGY SAFETY FUND.*—*There is es-*  
14          *tablished in the Treasury a fund, to be known as the*  
15          *‘Ocean Energy Enforcement Fund’ (referred to in this*  
16          *subsection as the ‘Fund’), into which shall be depos-*  
17          *ited all amounts collected as fees under paragraph (1)*  
18          *and which shall be available as provided under para-*  
19          *graph (3).*

20          “(3) *AVAILABILITY OF FEES.*—

21           “(A) *IN GENERAL.*—*Notwithstanding section 3302 of title 31, United States Code, all*  
22          *amounts deposited in the Fund—*

23           “(i) *shall be credited as offsetting col-*  
24           *lections;*

1                 “(ii) shall be available for expenditure  
2                 for purposes of carrying out inspections of  
3                 outer Continental Shelf facilities (including  
4                 mobile offshore drilling units) and the ad-  
5                 ministration of the inspection program  
6                 under this section;

7                 “(iii) shall be available only to the ex-  
8                 tent provided for in advance in an appro-  
9                 priations Act; and

10                 “(iv) shall remain available until ex-  
11                 pended.

12                 “(B) USE FOR FIELD OFFICES.—Not less  
13                 than 75 percent of amounts in the Fund may be  
14                 appropriated for use only for the respective De-  
15                 partment of the Interior field offices where the  
16                 amounts were originally assessed as fees.

17                 “(4) INITIAL FEES.—Fees shall be established  
18                 under this subsection for the fiscal year in which this  
19                 subsection takes effect and the subsequent 10 years,  
20                 and shall not be raised without advise and consent of  
21                 the Congress, except as determined by the Secretary to  
22                 be appropriate as an adjustment equal to the percent-  
23                 age by which the Consumer Price Index for the month  
24                 of June of the calendar year preceding the adjustment  
25                 exceeds the Consumer Price Index for the month of

1       *June of the calendar year in which the claim was de-*  
2       *termined or last adjusted.*

3           “(5) ANNUAL FEES.—Annual fees shall be col-  
4        lected under this subsection for facilities that are  
5        above the waterline, excluding drilling rigs, and are  
6        in place at the start of the fiscal year. Fees for fiscal  
7        year 2013 shall be—

8           “(A) \$10,500 for facilities with no wells, but  
9        with processing equipment or gathering lines;

10          “(B) \$17,000 for facilities with 1 to 10  
11        wells, with any combination of active or inactive  
12        wells; and

13          “(C) \$31,500 for facilities with more than  
14        10 wells, with any combination of active or inac-  
15        tive wells.

16          “(6) FEES FOR DRILLING RIGS.—Fees for drill-  
17        ing rigs shall be assessed under this subsection for all  
18        inspections completed in fiscal years 2013 through  
19        2022. Fees for fiscal year 2013 shall be—

20           “(A) \$30,500 per inspection for rigs oper-  
21        ating in water depths of 1,000 feet or more; and

22           “(B) \$16,700 per inspection for rigs oper-  
23        ating in water depths of less than 1,000 feet.

24          “(7) BILLING.—The Secretary shall bill des-  
25        ignated operators under paragraph (5) within 60

1       *days after the date of the inspection, with payment*  
2       *required within 30 days of billing. The Secretary*  
3       *shall bill designated operators under paragraph (6)*  
4       *within 30 days of the end of the month in which the*  
5       *inspection occurred, with payment required within 30*  
6       *days after billing.*

7           “(8) SUNSET.—No fee may be collected under  
8        *this subsection for any fiscal year after fiscal year*  
9        *2022.*

10          “(9) ANNUAL REPORTS.—

11           “(A) IN GENERAL.—Not later than 60 days  
12        *after the end of each fiscal year beginning with*  
13        *fiscal year 2013, the Secretary shall submit to*  
14        *the Committee on Energy and Natural Resources*
